CAS scheduling guide

Log in to your account

Before attempting to schedule an exam, you'll first need to log in to your CAS account, which you can do in one of two ways:

1. From the CAS website, follow the instructions provided:

The screenshot shows the CAS website's login page. At the top, there is a navigation bar with links for STORE, COMMUNITY, LOGIN, and CONTACT US. Below this is a main navigation bar with links for Exams & Admissions, Membership, University Programs, Professional Education, Publications & Research, About, Careers, and News. The main heading is "SIGN IN OR CREATE AN ACCOUNT". Below this, a message states: "Please sign in or create a new user account. If your login information is displayed below, then you are already logged in." The login form includes fields for EMAIL (with a placeholder example@exam.com) and PASSWORD (with a placeholder Password). There is a "REMEMBER ME" checkbox and a note "UNCHECK IF ON A PUBLIC COMPUTER". A blue "login" button is present, along with a link for "forgot your password?". Below the login form, a link "NOT A REGISTERED USER YET?" leads to a "Register" button.

2. From the CAS landing page on the Pearson VUE website, click the **Login** button:

The screenshot shows the CAS landing page on the Pearson VUE website. The header includes the CAS logo and the text "Casualty Actuarial Society (CAS)". Below this, a welcome message states: "Welcome to the Casualty Actuarial Society (CAS) computer-based exams delivered by Pearson VUE." The main content area describes the CAS as a leading international organization for credentialing and professional education, founded in 1914, and serves over 8,000 members worldwide. It lists various fields of expertise: property and casualty risks, reinsurance, finance, risk management, and enterprise risk management. A "Requirements" section lists two steps: 1. Completed an online registration with the CAS and paid the registration fee. 2. Received an examination authorization to test (ATT) email from Pearson VUE providing you with your login details and notifying you that you are now eligible to start the scheduling process. A "Scheduling" section explains that appointments can be scheduled 24/7 through the online Pearson VUE account, and provides a link to the Pearson VUE customer service. It also mentions that the CAS Scheduling Guide provides detailed step-by-step instructions of the Pearson VUE scheduling process. A "Related links" section lists several links: CAS Exams & Admissions, What to expect in a Pearson VUE Test Center, Laminated spiral notebook, CAS Scheduling Guide, and Pearson VUE ID Policy 1. On the right side, there is a "Login" button and a list of links: COVID-19 FAQs, Find a test center, View exams, Need help? Contact customer service, and Test accommodations.

Once you have logged in to your account, you may proceed to register for and schedule an exam.

Register for an exam

To register for an exam, once logged in, navigate to the Online Store. From there, use either the links at the top of the page or the dropdown menu to select **Exams**.

On the resulting page, find the exam you wish to take and click the **Register** button.

Follow the page prompts to complete registration and pay for your exam.

Once you have successfully submitted your payment, the **Take me to Pearson** button will appear. Click this button to be redirected to your Pearson VUE dashboard, where you can schedule your exam.
